Dimension drei halbe

Anregung: W.J., B.

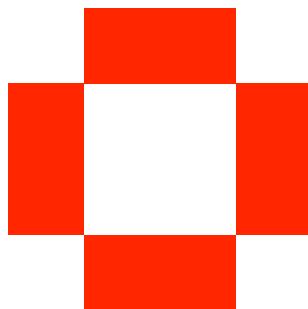

1 Worum geht es?

Es wird ein Fraktal der rationalen Dimension $\frac{3}{2}$ vorgestellt.

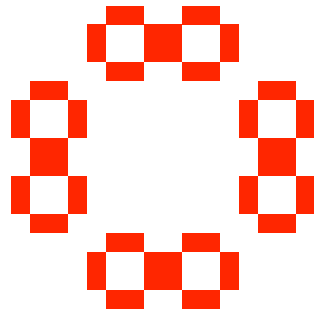

2 Die Generationen

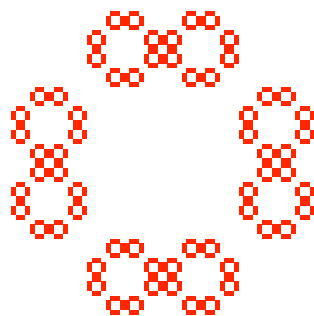

Generation 0

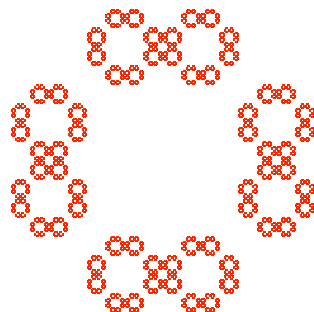

Generation 1

Generation 2

Generation 3

Generation 4

3 Dimensionsberechnung

$$D_{\text{fraktal}} = \frac{\log_2(8)}{\log_2(4)} = \frac{3}{2}$$
